Agreement to Gather Together in Harmonious Celebration of all Forms of Agriculture

Mission Statement

“The purpose of the ***Taste of the Hawaiian Range and Agriculture Festival*** is to promote an educational venue to encourage and support local production of agricultural products through social, cultural and scientific exchanges featuring a diverse array of talents brought together for the purpose of developing an ethos of compatibility, tranquility, and sustainability with this land we cohabit.”

Taste of the Hawaiian Range is an inclusive, positive event that celebrates all forms of agriculture in Hawaii. We welcome exhibitors, vendors, and chefs that showcase the diversity of agriculture in Hawaii.

Exhibitors/ vendors/ chefs may promote their favored, particular type of agriculture, but they are not allowed to disparage or demean other types of agriculture.

I agree to conduct an educational/ agricultural/culinary booth in harmony with diverse types of agriculture.
